Access to Your Records

Our software system will retain your records, including results, for a period of no less than 30 years.

If you wish to access your student information file, please direct your enquiry to Dr Ruby Zhu.

Enrolment

The enrolment process may vary depending on the type of qualification you intend to study. A copy of our Student Handbook will be supplied for you to read and understand.

An enrolment form must be completed, together with any required observations and/or self-assessment regarding special circumstances and/or training needs. Information on the fees and charges relating to your proposed course of study will be provided, and payment terms and methods will be agreed upon.

Once all enrolment forms have been completed, you will be enrolled into the qualification and a trainer and assessor assigned to help you through the course. Note that enrolment is not confirmed until fees have been paid as agreed.

Enrolment Dates

BHA operates on a system of rolling start dates. This means you are able to enrol and start studying straight away. If you have further questions, please direct them to our office on 02 92837407.
Entry Requirements

Please contact BHA to confirm any pre-requisites that are required for entry to the course in which you are interested. Entry requirements may relate to things such as:

Unique Student Identifier (USI)

A USI is required by all Australians undertaking nationally recognised training. It allows students to link to a secure online record of all qualifications gained regardless of the provider. This system was implemented by the Australian Government in 2015, so it will show student achievements from 1 January 2015 onwards.

As an RTO, BHA cannot issue Certificates or Statements of Attainment without a USI. Therefore, it is mandatory that all students supply their USI upon enrolment.

If you do not have a USI, please visit https://www.usi.gov.au/students/create-your-usi for more information, and instructions on how to apply.

Personal Learning Plan

As part of the overall enrolment process, BHA will work with you to develop a customised plan for your learning that will address course requirements as well as your personal circumstances. This includes the opportunity for you to complete a Language, Literacy and Numeracy (LLN) indicator which will identify any areas in which additional support may be required.

- Credit card
- Debit card
- Electronic funds transfer
- Cash

Fees must be paid by the due date agreed in your individual training contract. This will be clearly stated prior to your enrolment.

Failure to Make Payment

If payments are not made according to the agreed terms of the training contract, BHA may find it necessary to suspend training until payment is received. Failure of the student and/or their representative to meet payment obligations may result in the outstanding debt being handed over to a registered debt collector. Any fees associated with this service will be added to the total outstanding amount for recovery.

If you are experiencing financial difficulty, please contact BHA as early as possible to discuss options.

Refunds

Should a student withdraw from a course for any reason, a full or partial refund may be applicable. Information below outlines some of the circumstances under which a refund may be granted. Please contact BHA on 02 92837407 to discuss individual circumstances.

Fee Protection Information

Business Hospitality Academy does not charge fees in excess of a total of $1,500.00
Course Withdrawal

If you wish to withdraw from a course, you must advise BHA in writing of your decision within 14 days. Send your notification to request a refund to info@bhacademy.com.au and include the following information:

- Your name
- Contact details (address, phone, email etc.)

Withdrawal Prior to Commencement of Course

If you withdraw from a course prior to commencing any learning and/or assessment tasks associated with the course, a refund of the full course fees will be made less an administration fee of [$50.0]. - Any refund will be at the discretion of BHA

Cancellation of Course by BHA

In the event that a course is cancelled by BHA for any reason, students enrolled at the time of the cancellation announcement will have their fees fully refunded. Students who may have
already been assessed as competent for some units in the course will be issued a Statement of Attainment for these units and the cost of issuing the statement(s) will be deducted from the refund total.

Course Information

After enrolment, you will be given access to training materials in hard copy and/or digital format. Textbooks are provided. You will need to supply your own stationery materials. A welcome email will be sent with log-in details so you can access BHA’s online learning platform.

You will be given an outline for training appointments which may be:

- Workplace visits
- Classroom sessions
- Online modules
- A combination of the above

Duration

How long your course will take depends on a number of factors. Included are your own efforts and commitment to submitting assessments regularly and on time, your study load (i.e. full- or part-time) and how many units (if any) are eligible for credit transfer and/or recognition of previous experience and qualifications. Further, the level of the qualification being undertaken will impact on course duration. The Australian Qualifications Framework (AQF) summarises the criteria of different qualification levels and gives an indication of the complexity, depth of achievement, knowledge, skills and levels of autonomy required to achieve a qualification at that level.

The AQF expresses the time expected to gain a qualification as an equivalent to full-time years. This is known as the ‘Volume of Learning’.

Volume of Learning

Volume of Learning statements provide an indication of the amount of time it is expected that a student would need as a full-time student to achieve the qualification. Volume of Learning figures assume none of the competencies identified in a qualification are currently held.

The listed time frames account for all activities a student would undertake, including supervised training activities, classroom sessions, online modules and/or workplace learning, as well as individual study, practice and learning.

The Volume of Learning for qualifications in the VET sector are:
<table>
<thead>
<tr>

**Competency Based Training**

Competency Based Training (CBT) is an approach to teaching that focuses on allowing a student to demonstrate their ability to do something. Used in the VET sector, CBT is used to develop concrete skills and is typically based on a standard of performance expected in the workplace and industry.

CBT programs deliver qualifications that are made up of Units of Competency. Each unit defines the skills and knowledge required to effectively perform in the workplace. Assessment is based upon the learning outcomes expected from each Unit of Competency.

**How Does Assessment Work in CBT?**

Unlike the traditional school system of grading assessments on a scale ranging from A to Fail, assessment of CBT determines if you have the required skills and knowledge… or not yet.

Assessment is specifically conducted to determine if a student can deliver essential outcomes related to the performance criteria within each Unit of Competency. Basically, this means assessment is conducted to see whether or not a student has the required skills and knowledge to perform effectively in the workplace. If a student’s performance in the assessment does not demonstrate the requirements, rather than a fail, competency based assessment means the student is marked as ‘Not Yet Competent’, and more training is required to get to the point of being ‘Competent’. Assessors will look for evidence against which to base their judgements of competency.

The ways to demonstrate to our qualified assessors that you can perform to the required standard and be classed as ‘Competent’ or ‘Meeting Requirements’, include:
• Being observed as you work/perform the tasks and activities
• Responses to verbal questioning
• Written responses to theory questions
• Responding to a role play or case study
• Conducting a project
• Submitting a written report
• Compiling a portfolio of work samples
• A combination of the above

BHA has a Training and Assessment Strategy for each of the qualifications we deliver and we outline our approaches for conducting assessment in those strategies.

Training and Assessment Strategies

BHA staff are appropriately qualified and have sufficient, relevant industry experience to train and assess the courses delivered by BHA. On occasion, a subject specialist may conduct assessment in conjunction with a fully qualified assessor. You will be advised of specific instances in your course whereby this may be the case.

Our methodologies regarding training and assessment work toward ensuring our processes meet national assessment principles including Recognition of Prior Learning (RPL), Recognition of Current Competencies (RCC) and Direct Credit Transfer (DCT). All courses are assessed under the competency based training and assessment criteria established under the AQF.

Flexible Learning and Assessment

Included in our training and assessment strategies are practices that promote flexibility in learning and assessment. This means we will work with you to provide options that are responsive to your individual needs, and that maximise learning outcomes and access to learning activities.

Apprenticeships and Traineeships

BHA gives all students enrolled in an apprenticeship or traineeship a training plan which outlines how and when training will take place. This is signed by all parties involved, and given to you at the start of the training contract.

Training Plans

In the case where your course of study calls for vocational placement, is part of a workplace traineeship, or part of an apprenticeship, a training plan will be developed for you. The plan
will be developed between you, the placement/workplace organisation, and BHA. It will outline the skills and knowledge you will develop over the duration of the training plan. The training plan becomes a ‘living document’ and any changes are agreed and noted by all involved parties.

Third-Party Arrangements

[A third party arrangement is one whereby any other party provides services on your behalf. See the ASQA Fact Sheet on Third-Party Arrangements for clarification if required. http://www.asqa.gov.au/media-and-publications/third-party-arrangements.html]

If BHA has a third-party arrangement, we must advise students of information that relates to this. We may decide to include in your Student Handbook information related to the training and assessment circumstances such as:

- the training and assessment, and related educational and support services BHA will provide to the learner including the:
  - name and contact details of any third party that will provide training and/or assessment, and related educational and support services to the learner on the BHA’s behalf; and
- the learner’s rights, including:
  - if BHA, or a third party delivering training and assessment on its behalf, closes or ceases to deliver any part of the training product that the learner is enrolled in.

Recognition Processes

BHA offers assessment processes that enable recognition of competencies currently held, regardless of how, when or where the learning occurred. These are detailed below:

- Recognition of Prior Learning

Recognition of Prior Learning (RPL) is an assessment process that involves making a judgment on the skills and knowledge an individual has as a result of past study and/or experience. The aim of RPL is to recognise your existing competencies without having to go through the complete processes of training and assessment. You will still need to provide evidence though, upon which your assessor can base their judgement. Evidence must be:

- Authentic – it must be your own work
- Sufficient – it must demonstrate competence over a period of time, that the competencies can be repeated, and the evidence must be enough so that the assessor can make an accurate judgement regarding competency
- Current – it must demonstrate up-to-date knowledge and skills i.e. from the present or the very-recent past
• Valid – it must be relevant to what is being assessed

You may be eligible to apply for RPL on one or more Units of Competency in your course. Please contact our administration staff to discuss your options.

• Recognition of Current Competencies

Recognition of Current Competencies is a recognition process similar to RPL. It applies if a student has “…previously successfully completed the requirements for a unit of competency…and is now required to be reassessed to ensure the competence is being maintained”.

(Taken from: http://www.skillsrecognition.net.au/key-terms)

• Credit Transfer

BHA recognises AQF qualifications and Statements of Attainment that have been issued by other RTOs. Credit transfer may be applied to Units of Competency and related qualifications that have been studied in the past. To apply for a direct credit transfer you will need to supply a certified copy your documentation (certificates and/or statements). For full details on the requirements for credit transfer applications, please contact our administration staff on 02 92837407.

Foundation Skills

All training and assessment delivered by BHA contain Foundation Skills. Foundation Skills are a mandatory component of Units of Competency.

They are non-technical skills that support participation in the workplace, the community, and adult education and training. Examples of Foundation Skills include things such as communication skills, literacy skills (reading, writing and numeracy), interacting with others, and skills to effectively participate in the workplace such as teamwork, problem solving, and self- and time-management.

Assessment Information

Submitting Assessments

You are expected to complete assessments for all units in your qualification. You will need to submit assessments by the due date for a result to be recorded. You will receive full and detailed instructions on the requirements for each assessment, including its context and purpose; ensure you talk to your trainer and/or assessor to clarify anything that is not clear to you.
Resubmissions

If you receive feedback to say your submission was ‘Not Yet Competent’, you will need to provide more evidence to support your claim for competency. This may mean re-doing some of the theory questions, putting extra or more relevant information into your portfolio, or demonstrating a task again. BHA does not charge a fee for resubmission of assessments. If, after 2nd of resubmissions your work is still ‘Not Yet Competent’, you will be required to re-enrol in, and re-do the work for the unit, in order to achieve the full qualification.

Talk to our administration staff for more information. All of the staff at BHA will take every reasonable effort to help you succeed in your course.

Assessment Feedback

You will receive feedback regarding the outcome of each of your assessment items. To be deemed ‘Competent’ against a nationally accredited unit, you must meet the requirements for all elements that comprise that unit.

Plagiarism

All work that you submit must be your own. You will have signed a declaration at the start of each assessment that this will be the case.

Plagiarism is taking someone else’s work and/or ideas and passing them off as your own. It is a form of cheating and is taken seriously by BHA. To help you understand, the following are examples that constitute plagiarism:

- Copying sections of text and not acknowledging where the information has come from
- Mashing together multiple ‘cut and paste’ sections, without properly referencing them, to form an assessment response
- Presenting work that was done as part of a group as your own
- Using information (pictures, text, designs, ideas etc.) and not citing the original author(s)
- Unintentionally failing to cite where information has come from

Referencing

When it comes to properly acknowledging where information has come from, students should be aware of, and be able to properly use, referencing protocols. BHA expects that you use Harvard, or APA style of referencing when writing your assessments. More information about how to do this can be found at:

Appeals

Whilst as a student, you are able to lodge an appeal if you disagree with a decision regarding an assessment outcome, you are encouraged to speak with your assessor in the first instance. If you are not satisfied with the outcome of that discussion, you may request a formal review of the assessment decision. Follow BHA’s procedure for lodging an appeal.

BHA will deal with any complaints and appeals in an effective and timely manner (within 7 days of assessment), aiming to resolve all complaints/appeals within 2 working days of receipt. BHA management must investigate each complaint/appeal fully before reaching a resolution. Throughout the investigation process, you must be given every reasonable opportunity to provide further information about the complaint/appeal. The resolution must be provided to you in writing on BHA’s Complaints Outcome Form.

Where to Get Help

Talk to your trainer and/or assessor for help in understanding how to complete your assessments. They are happy to support you and can be contacted through our office on 02 92837407.

Student Conduct

Just as BHA has a responsibility to meet expectations of students, legislation, and regulations, so too, do students have obligations they are expected to meet. It is expected that students will participate with commitment in their studies, regularly submit assessment items, and behave in a manner that does not contravene workplace health and safety or the principle of respect for others.

BHA views student misconduct seriously. We expect that our students will behave in an honest, respectful manner appropriate for a learning environment, and in a way that will uphold the integrity of the RTO. Consequences of student misconduct vary up to and including expulsion from the course. Examples of student misconduct include, but are not limited to:

- Academic misconduct including plagiarism and cheating
- Harassment, bullying and/or discrimination
- Falsifying information

Information from the Standards for RTOs 2015

Standard 5 is about making sure learners “are adequately informed about the services they are to receive, their rights and obligations, and the RTO’s responsibilities under these Standards”. Much of the information learners need to know can be included in the Student Handbook or published on your RTO’s website.

Inform and protect learners

Clause 5.1

Prior to enrolment or the commencement of training and assessment, whichever comes first, the RTO provides advice to the prospective learner about the training product appropriate to meeting the learner’s needs, taking into account the individual’s existing skills and competencies.
Clause 5.2

Prior to enrolment or the commencement of training and assessment, whichever comes first, the RTO provides, in print or through referral to an electronic copy, current and accurate information that enables the learner to make informed decisions about undertaking training with the RTO and at a minimum includes the following content:

- the code, title and currency of the training product to which the learner is to be enrolled, as published on the National Register
- the training and assessment, and related educational and support services the RTO will provide to the learner including the:
  - estimated duration
  - expected locations at which it will be provided
  - expected modes of delivery
  - name and contact details of any third party that will provide training and/or assessment, and related educational and support services to the learner on the RTO’s behalf, and
  - any work placement arrangements.
- the RTO’s obligations to the learner, including that the RTO is responsible for the quality of the training and assessment in compliance with these Standards, and for the issuance of the AQF certification documentation.
- the learner’s rights, including:
  - details of the RTO’s complaints and appeals process required by Standard 6, and
  - if the RTO, or a third party delivering training and assessment on its behalf, closes or ceases to deliver any part of the training product that the learner is enrolled in
- the learner’s obligations:
  - in relation to the repayment of any debt to be incurred under the VET FEE-HELP scheme arising from the provision of services
  - any requirements the RTO requires the learner to meet to enter and successfully complete their chosen training product, and
  - any materials and equipment that the learner must provide, and
- information on the implications for the learner of government training entitlements and subsidy arrangements in relation to the delivery of the services.

Clause 5.3

Where the RTO collects fees from the individual learner, either directly or through a third party, the RTO provides or directs the learner to information prior to enrolment or the commencement of training and assessment, whichever comes first, specifying:

- all relevant fee information including:
  - fees that must be paid to the RTO, and
  - payment terms and conditions including deposits and refunds
- the learner’s rights as a consumer, including but not limited to any statutory cooling-off period, if one applies
• the learner’s right to obtain a refund for services not provided by the RTO in the event the:
  o arrangement is terminated early, or
  o the RTO fails to provide the agreed services.

Clause 5.4
Where there are any changes to agreed services, the RTO advises the learner as soon as practicable, including in relation to any new third party arrangements or a change in ownership or changes to existing third party arrangements.

Consumer rights
Inform prospective learners about their rights as a consumer, in accordance with state/territory laws.

If state or territory laws where the course is being offered require a cooling-off period, you must provide information about this.

Your RTO must also notify learners when any change occurs that may affect the services you are providing them. This includes:

• a change in ownership of the RTO, and/or
• any changes to, or new third-party arrangements your RTO puts in place, for the delivery of services to those learners.
